TAVERHAM PARISH COUNCIL

Respective responsibilities of the body and the auditor

This smaller authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The smaller authority prepares an annual return in accordance with proper practices which:

- summarises the accounting records for the year ended 31 March 2016; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

Our responsibility is to review the annual return in accordance with guidance issued by the National Audit Office (NAO) on behalf of the Comptroller and Auditor General (see note below). Our work does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and does not provide the same level of assurance that such an audit would do.

External auditor's report

On the basis of our review of the annual return, in our opinion the information in the annual return is in accordance with proper practices and no matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

Other matters not affecting our opinion which we draw to the attention of the authority:

We recommended in 2014/15 that the declarations of acceptance of office were revised to refer to acceptance of the Code of Conduct. We understand that the Council seeks declarations annually and the 2015/16 review had already happened when the Council received our 2014/15 audit report so the revision is planned for 2016/17. The Council should ensure it adopts the changes to the Declaration of Acceptance of Office recommended in the 2015 Audit Opinion as part of its annual Policy Review.
