

## PUBLIC NOTICE

### TAVERHAM NEIGHBOURHOOD DEVELOPMENT PLAN

#### NOTICE OF DECISION

Taverham Parish Council has appointed a steering group to produce a Neighbourhood Plan, which provides a vision for the future of the parish up to 2040 and a number of planning policies to help ensure the vision is achieved. The Plan was submitted to Broadland District Council in November 2019, and subsequently approved for publication and examination.

The examiner has now concluded his examination and has recommended that the Neighbourhood Plan proceeds to a referendum in the parish, subject to a number of specific modifications. The local planning authority has decided to approve these recommendations, meaning that the Neighbourhood Plan will proceed to a referendum subject to these changes being made.

The referendum will be held on **6 May 2021** and will be conducted in a similar fashion to local government elections. The area covered by the referendum will be the civil parish of Taverham (the Neighbourhood Plan area) and those eligible to vote will receive formal notice in due course.

Broadland District Council has published an information statement and specified documents (as required by the Regulations) on its website at:
