To consider request to site clothing bank on the car park at Sandy Lane

Councillors had received information from Planet Aid requesting permission to site a small clothing bank on the car park. Planet Aid would be responsible for emptying the bank and for ensuring that the immediate area around it was kept tidy.

It was **RESOLVED** to grant permission for the bank and that the permission would be reviewed after three months at the Recreation Committee meeting in May.

To consider quotes for the electrical and structural testing of the lights at the car park at Sandy Lane

Three contractors had been invited to provide a quote for the testing of Council-owned lights. All contractors had previously held the streetlight maintenance contract for the parish council. One contractor declined to provide a quote, and another provided inaccurate information. It was **RESOLVED** to accept the quote from Cozens UK in the sum of £390 to carry out the testing of the lights at Sandy Lane car park.

The Meeting closed at 7.44pm
